Dr. Feilinger made a motion to approve the protocols as presented. Dr. Thuriere seconded the motion and the motion passed unanimously.

Dr. Jameson then briefed updates made to the local Medical Operations Manual to match the Trauma Transport Protocols provided to the State. Dr. Haire called for a motion to approve. Mr. Hoce made a motion to approve the protocols as presented. Mr. Degina seconded the motion and the motion passed unanimously.

Dr. Jameson presented an update on improvements made to the Controlled Substance Handling protocols. After discussion, Dr. Haire called for a motion to approve. Mr. Hoce made a motion to approve the protocols pending legal review. Mr. Degina seconded the motion and the motion passed unanimously.

EMS & FIRE ADMINISTRATION DIRECTOR

Mr. Hare announced that the EMS System was awarded the American Heart Association Mission Lifeline gold award.

Mr. Hare stated that ambulance dispatch had been relocated to the Regional 9-1-1 Center. This collocates 9-1-1, Sheriff's dispatch, fire dispatch and ambulance dispatch at one facility.
Mr. Hare briefed that the Ambulance Service Agreement had been renewed with Paramedics Plus. It is an initial five-year agreement that includes improvements such as an increase in the ambulance fleet, improved disaster response capability, a new critical care unit, new training equipment, improved response time requirements, improved clinical orientation, provides for a community paramedic program and updates the striping of the ambulances for safety and appearance.

Mr. Hare said that the contract with Dr. Jameson and his physician team had been extended.

Mr. Hare described ongoing challenges with the Continuing Medical Education Program and mentioned that Dr. Eric Carver is the new provost that will lead health education at the college. A task force is being assembled to review and approve potential solutions.

Mr. Hare provided an overview of the revised EMS Rules & Regulations. He stated that the EMS Management Committee had worked for over a year to update the EMS Rules & Regulations. The revised document was presented to the EMS Advisory Council and received unanimous support.

Dr. Haire called for a motion to approve. Mr. Hoce made a motion to approve the EMS Rules & Regulations. Dr. Thuriere seconded the motion and the motion passed unanimously.

Mr. Hare briefed updates to the EMS Medical Control Board bylaws that had not been revised since the mid-nineties. Mr. Hare said that in addition to updating and simplifying the document the primary revision was to add language allowing alternate membership.

Dr. Haire requested that the term "rank" be removed from the document in reference to an alternate nominee and that the term “category” remain.

After review, Dr. Haire called for a motion to approve. Mr. Degina made a motion to approve the bylaws after striking the words “and rank.” Dr. Mathur seconded the motion and the motion passed unanimously.

Mr. Hare announced that Dr. Moeller would be leaving the organization as of July 3rd and would be teaching part-time for the University of Florida and doing some consulting.
